OUTSTANDING SECONDARY SCHOOL IN  
Health and Physical Education

## ROKEBY HIGH SCHOOL

The Rokeby High School Health and Physical Education (HPE) team are constantly reinforcing the message of being active and increasing participation through both role modelling and the language they use when talking with students and the school community.

The HPE staff have developed a new personal fitness gym at Rokeby High School which has further engaged more students and staff with HPE at the school. Lunch activities and training sessions have been very popular with all grades.

In the last year there has been a significant move by the HPE team to engage in partnerships with the wider community with groups such as the Lauderdale Football Club as well as Clarendon Vale Primary and Rokeby Primary Schools through the use of the school gym to engage the wider community.
