

# 2016 ACHPER TASMANIA OUTSTANDING PRACTITIONER K-10

## SAMUEL CURE

As a second year teacher Samuel is a part of the Otlands District High School leadership team. He has used his position to investigate and implement appropriate HPE programs and structures to reflect current best practice.

Samuel has established a Health and Physical Education program that incorporates 21st century learning design to reflect the Australian Curriculum and has initiated Outdoor Education, Food and Nutrition, Daily PE and senior gender based classes to address the diverse needs of students.

Samuel has actively engaged wider community organisations to support the learning programs at his school, including afterschool and lunchtime activities. His initiatives have increased student engagement and attainment and he has built and supported a variety of student leadership opportunities within the school.
